

Why purchase a Post-Sale Inspection?

- ✓ Greater confidence in your purchase online
- ✓ No surprises upon delivery to your store
- ✓ Items that you can arbitrate will be found prior to the vehicle leaving the auction

What's included in your Post-Sale inspection?

EBlock Flint has three post-sale inspections available, so you can customize your level of confidence:

Frame

\$75.⁰⁰ WITH A 7 DAY GUARANTEE

- ✓ Frame and structural evaluation per NAAA guidelines.

GMT

\$100.⁰⁰ WITH A 48 HOUR GUARANTEE UNTIL FRIDAY AT 1:00PM OR 100 MILES, WHICHEVER COMES FIRST.

- ✓ Engine and transmission evaluation, SES light if related to internal engine / Transmission, fluid check and mileage verification. Does not cover 4x4 or transfer case.

Full

\$225.⁰⁰ WITH A 7 DAY GUARANTEE

- ✓ Inspection that includes complete drivetrain, major components and a 2 mile road test. Frame and structural evaluation per NAAA Guidelines. Flood check.

GMT & Frame

\$175.⁰⁰

The following items are excluded:

Post-Sale Inspections

3164 W Coldwater Rd, Mount Morris MI 48458
Phone: (810) 789-3030
www.eblock.com
www.fastlaneautoexchange.com

If you have questions about Post-Sale Inspections, please call (810) 789-3030

How does it work?

Post-Sale Inspection clerks are located in the Main Office.

To request a Post-Sale Inspection, simply present your buyer's ticket to a sales attendant.

PSI must be requested no later than two hours from the point of sale.

When the entire Post-Sale Inspection process is completed you will be contacted with the results.

PSI is designed as a process to find problems with a vehicle, NOT diagnose them.

Vehicle is eligible for a PSI on day of sale only.

PSI warranty is voided if the vehicle is retailed or sold in any way.

PSI warranty is voided if the vehicle is abused in any way and must be in the same condition from the point of sale

Vehicles bought on the INTERNET will not be released for transport until after the Post-Sale Inspection has been completed.

The seller will stand behind Post-Sale Inspection for the items checked for 7 days on a full and 2 days on GMT

The Post-Sale Inspection is not part of the arbitration policy, but a separate service offered to provide added assurance and coverage to the buying dealer in their purchase.

Don't wait for the Post-Sale Inspection to be completed to pay. You must remit payment of your purchase.

Process:

The Post-Sale Inspections will be completed by the auction crew that includes an ASE Certified Technician and a Master Technician. They will perform a full visual inspection of the unit.

- Odometer/speedometer
- Emission control equipment present
- Engine and transmission function and operation
- HVAC air conditioning
- Compressor engagement check
- 4X4 system engagement if checked for damage equipped
- SRS/air bag checked (when illuminated)
- SES checked (when illuminated)
- ABS and brake function (when illuminated)
- Cruise Control
- Power Seats
- Power Windows
- Power Locks
- Power Sliding Doors
- Convertible Top Function
- Frame and Unibody
- Gauges
- Brake hydraulics, power steering, Transmission, engine and cooling system fluids
- 2 mile test drive (when possible)

Vehicle Qualifications:

- ✓ Green Light vehicles sold with a selling price of under \$100,000
- ✓ AS-IS sold "GMT" (Guarantee Motor and Transmission)
- ✓ AS-IS Frame Only

GMT Vehicles: This is a guarantee from the seller and the seller only. The PSI/GMT has a 48 hour or 3:00 pm on the close of business the Friday after the sale window. Warranty on motor, head gasket, case half-seals, internal engine failure, transmission internal failure and frame ONLY.

Post-Sale Inspections:

CLAIMS

- The buyer is financially responsible for payment of the Post-Sale Inspection fee regardless of whether the vehicle passes or fails inspection and the fee is non-refundable.
- The coverage and provision apply only to the original buyer of the Post-Sale Inspection. The service coverage and Post-Sale Inspection coverage period are void once the vehicle is resold. The service

coverage cannot be transferred to any subsequent wholesale or retail buyer.

- If a vehicle fails Post-Sale Inspection and exceeds the current arbitration amount (see arbitration policy) the vehicle will be placed in arbitration.
- A vehicle returned for any reason under the Post-Sale Inspection coverage must be in the same or better condition as when it was purchased.
- EBlock Flint will not reimburse a dealer for, reconditioning and other work or expenses performed on the vehicle that is returned for any reason.
- The Post-Sale Inspection in NO WAY is a buy-back policy.
- Verification of diagnosis and repair estimates will be obtained at a shop chosen by EBlock Flint and may need pictures sent via email.
- A complete written estimate from a licensed repair facility will be required.
- EBlock Flint reserves the right to limit the number of times a purchasing dealer may submit claims.
- Buyer and seller should be aware that the seller bears all financial responsibility in the case of a successful arbitration claim.

COVERAGE

- If an item or part fails during the Post-Sale Inspection, coverage of that item will be replaced or repaired at EBlock Flint's discretion.
- The auction may choose to give a cash reimbursement to the dealer for items on the checklist that failed.
- The vehicle must have less than 300 miles on the odometer in order for the dealer to file a dispute to the Post-Sale Inspection findings. (Vehicles driven over 200 miles will not be eligible for dispute.) GMT coverage is 100 miles.
- EBlock Flint's "AS-IS" policy will supersede any comments/disclosures made in a pre-sale run listing, online condition report or any other vehicle information provided in text or verbally by the seller on any such vehicle. The auction will bear no financial responsibility on any such vehicle, regardless of whether the vehicle has a Post-Sale Inspection or information is given error in any way.
